

MidTown Cleveland, Inc. is a 501(c)3 economic development corporation that serves a two-square-mile area between Downtown Cleveland and University Circle. Supported by area businesses, institutions, and individual stakeholder members, MidTown Cleveland, Inc. assures the ongoing viability of this leading urban district in Northeast Ohio. Together, we are making MidTown a better place to live, work, learn, and play.

CONNECT FOR
SUCCESS.

WHO WE ARE WHAT WE DO

COMMUNITY

MidTown Cleveland is so much more than a collection of businesses, organizations and residents. *MidTown* is a community that helps its members grow and prosper. *MidTown Cleveland, Inc.* is the organization created by its members to strengthen the *MidTown* community as a vibrant, attractive and safe place to live, work, learn and play.

CONNECTIONS

MidTown Cleveland is an entrepreneurial community where both start-up and established businesses connect and collaborate with each other. *MidTown Cleveland* connects businesses and institutions along the HealthLine from Downtown to University Circle. Fiber-optic lines efficiently connect *MidTown* businesses regionally and globally at speeds up to 100 gigabits—the fastest commercially available fiber connection available in the U.S.

ACTION

MidTown Cleveland, Inc. amplifies the voices of its members, allowing businesses and organizations to speak in one loud and clear voice when interacting with governments, institutions and the broader community. The collective voice of *MidTown* stakeholders gets others to take prompt action on matters ranging from ensuring safety and security to eliminating blighted conditions to accessing financial incentive programs. Stakeholders joining together for a common cause is what *MidTown Cleveland* is all about.
